AT&T

**BREAK-UP
BUNDLE**

A new, Gen Z inspired, wireless data plan focused on reliability, affordability and adaptability to your lifestyle transitions.

OUR MISSION

AT&T believes Connecting Changes Everything. With new high speed 5G connectivity at a cheaper rate,

AT&T provides everyone the opportunity to better connect. AT&T is partnering with college athletics to gain insight on stronger streaming data and providing additional student data plan options that are more reliable and affordable for Gen Z's transitional stages.

AT&T

BREAK UP BUNDLE FEATURES

01

Fit your transition from school to on-campus hobbies with a student discount through your graduating year.

02

Break up with your family phone plan with new 5G connectivity.

03

Connectivity you depend on. Deals you deserve. Stream more of your favorite games or shows with AT&T.

QUALITY CONNECTION

Gen Z experiences life stages in new ways than ever before with constant transformative technologies. Gen Z are transitioning independently whether it's to find jobs, provide for themselves, or pay for devices that continue to increase in price. As Gen Z separates from years on a family plan,

AT&T's new "Break Up Bundle" is stepping in to redefine wireless experiences for the next generation as the more reliable and affordable cellular data plan.

"GEN Z INSPIRED INNOVATION"
