Reality Tour

A parent prevention opportunity awaits you.

QUOTE

At 6p.m. my son said,
"What am I doing here?"
By 7pm he said, "I want
all of my friends to see
this."
MOM

What is Reality Tour?

Reality Tour is a 360 degree view on prevention which focuses on:

- Consequences
- Coping Skills
- 1st person accounts

AND...

Reality Tour promotes healthy behaviors:

- Parent-child open communication
- Accepting responsibility
- Setting healthy goals
- Actions to take in risk situations.

QUOTE

"These could have been
the most important
hours I ever spend with
my son."

BARNUP BOUTIQUE

DARE TO WEAR WILD.

A Western Style
Retailer.

MISSION & VISION

- Barnup Boutique's mission is to provide customers with different eras of western wear that are promised to be made from ethically sourced materials and use sustainable packaging to limit the brand's environmental footprint. Barnup Boutique aims to supply quality products to its consumers for loyalty and a positive reputation in return.
- Barnup Boutique's vision is to empower and inspire all genders, ethnicities and backgrounds through its diverse western wear.

SUSTAINABILITY

Barnup Boutique cares about the quality and make of its products. All of the brand's fabric is ethically sourced from a plantation in Southern Mexico, consisting of:

- Recycled and Organic Cotton.
- Organic Hemp.
- Organic Linen.
- Recycled Polyester.

These materials are made in mind to minimize the use of water, energy, and chemicals, and significantly reduce carbon emissions.

ABOUT US

Barnup Boutique is a small western clothing business fueled by sustainability ethics. The company was founded in 2024 by CEO Hayley Meerdo and is based in Pittsburgh. The brand is national in scope with pop-up stores in cities around the country, Nashville, Atlanta, Phoenix and Houston. The brand's online shop and social media presence are very prominent to its success.

www.girlfriendcollective.com

Who we are

Girlfriend Collective is a clothing brand based on upcycling and sustaining the environment. The brand uses recycled plastic from the ocean to make its synthetic and ethically made activewear. The provides eco-friendly packaging. Girlfriend Collective is slow-fashion and donates a portion of its earnings to various non-profit organizations around the world. The company was founded in 2016 by Ellie Dinh.

GC's Sustainability Facts

Girlfriend Collective's retail production is based on ethics including:

- Packaging is 100% recycled and recyclable.
- Fabric is dyed with eco-friendly dyes.
- Girlfriend Collective recycles water bottles sourced from Taiwan.

- Girlfriend Collective uses reliable and eco-friendly transportation and storage of the plastic waste used.
- Girlfriend Collective collaborates with other brands and companies to invite and encourage more sustainable use.
- 85% of all textiles end up in landfills each year.

Awards

People's 2022 Style Award

Our satisfaction rating,
based on user feedback

"We're Girlfriend Collective,
and we're glad you're here."

Advocacy

ReGirlfriend: The campaign upcycles and reuses donations of used GC's clothes and uses the fabric to weave new clothing for the brand to sell.

SuperCircle: Girlfriend Collective advocates for its partnership with SuperCircle, a brand a full-service technology and reverse logistics platform powering circularity for the world's best retail brands.
